Declaration

I confirm that the above is true and complete to the best of my knowledge.

I understand that I must declare all interests that may be relevant to my functions as a member of the GLA Board, and that is my responsibility to identify interests which should be declared.

I understand that any declaration made during the current year maybe checked by the GLA against the register I will complete at the end of the current year.

I undertake to notify the GLA of any additional interest arising during the course of the year as soon as practically possible.

When attending a GLA meeting that is considering a matter in which I have an interest, I will disclose such interests at the meeting.
