Notes:

1. Call topic is not collected for every call. A single call may cover multiple topic areas so breakdowns do not sum to the total number of calls.
2. Figures are rounded to the nearest 100. Totals are calculated based on pre-rounded figures so may not sum.
3. '-' indicates a value less than 50.
4. Data for 2014/15 covers April 2014 to March 2015.
5. 'Other' sectors include 'Activities of households as employers', 'Shellfish gathering', 'Taxi/minicab services', 'Textiles', 'Training Provider' and 'Not known'.
