

<b>Ref: FOI 2018 - 24</b>	<b>Date issued: 30/08/18</b>
<b>Subject:</b> ICT expenditure	
<b>Question(s) asked</b> <p>Please could you provide me with information about your organisation's ICT expenditure as detailed in the attached template. I have tried to find this information in your organisation's published data, but was unable to find the level detail I require. Within the response, please include:</p> <p>Expenditure from all parts of your organisation (centralised IT and departmental IT);</p> <p>As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and,</p> <p>Both revenue (or operating) expenditure and capital expenditure</p> <p>If you could input the answers in this template and return to me by email as an attachment, this would be much appreciated. Please return the information in the template as an Excel (.xlsx) file - not in another format (e.g. PDF).</p>	
<b>Our Response</b> <p>The information you have requested is not held by the GLAA. The GLAA ICT expenditure is managed by the Department for Environment Food &amp; Rural Affairs (Defra).</p> <p>Under s16 of the FOIA (duty to provide advice and assistance) you may wish to direct your request to Defra. Please note, it will be handled as a new request and so the 20-working-day deadline for responding would then commence from the date that they receive your request.</p>
