Subject: Active check notification	
Question(s) asked and answer(s): I would like to make a Freedom of Information request relating to the active check notification for licensee [redacted]. The information I am requesting is: 1. the reason for the suspension 2. the history of GLAA inspections and Additional Licensing Conditions assigned to this labour provider over the last 12 months 3. if the suspension is lifted by the time of this request being resolved, the reason for that lifting. GLAA response 1. The notification of suspension you received relates to an ongoing licence review. It is therefore exempt from release currently in accordance with s31(1)(g) by reference to the reasons in section 31(2)(a-d) of the Freedom of Information Act (FOIA). 2. There are no closed GLAA inspections or Additional Licensing Conditions in relation to this labour provider for the period of the last 12 months 3. Please see our response to Q.1
